

'Big Brekky' Permission Form

(Please return to Campus Ministry)

St. Joseph's College conduct a 'Big Brekky' each weekday for people who are homeless in the parks and surrounding areas of the inner city. Each 'Big Brekky' has a team of 4 students assisted by 2 members of staff or Old Boys. The aim of the program is to enhance and make students aware of the dignity of the person and to nurture right relationships of respect with those most marginal within our society. We provide this through a simple community breakfast and conversation with the men and women who gather at Wickham Park, Spring Hill (corner of Albert St & Wickham Tce).

Students are to meet at Waterford Place garage (Water St) by 6:15am to prepare and pack the van and will return to school by 7:30am for wash up and debrief. All students are to wear normal school uniform.

Students are briefed on the processes in place, including all risk management strategies and will be under the instruction of supervising staff.

Disclaimer

I am aware that while working on the Eddies Van Big Brekky Program my child will travel to and from the program in a school vehicle. Students may be exposed to some volatile and dangerous situations.

I give permission for my son to work on the 'Big Brekky' Program.
